WELCOME!

We continue to hold you in prayer as we monitor the CDC and City guidelines. We are doing everything that we can to consider those outside the walls of our congregation as well as those who worship here frequently. If you have been to the store recently, you know how many people are involved in simply purchasing a pint of milk or loaf of bread. Wesley said we should use scripture, experience, tradition and reason in making decisions. Please include reasoning to keep yourself and others safe and healthy. Next Sunday March 29, 2020, will also be a "Single Service Sunday".

1. We will be "Live Streaming" the 8:15 service through Facebook www.facebook.com/windcrestumc/ again next week and posting the recording for those who want to watch. There will be no service at 9:30 or 11:00.
2. If you know someone who does not have internet access, have them call the office and we will make every effort to get them a DVD as soon as possible after the service.
3. Giving of Tithes and Offerings is an important part of the worship experience and there are several ways you can do that from home as well. Click on the "Learn More" button on your screen if you are watching the Face Book Stream or go to <http://www.windcrestumc.org/onlinegiving>

We ask that you respect the CDC Social Distancing guidelines.

To all our friends and family at Windcrest United Methodist Church, we give thanks...for the numerous calls, visits, food, gift cards, get-well cards, generosity and many prayers on behalf of our beloved Ron. All of you have been so kind to all of us. This is a very sad time for us, but, like you, we know Ron's with our Lord...free of pain and suffering.
